DEDICATED DONORS

Your generosity helps us to realize our mission to entertain, educate and inspire, one which sees us highlighting neglected historic artists, championing women composers, and commissioning new music from composers around the world.

Equally important, making donations clearly benefits you. For most of us, supporting any charitable organization brings both joy and satisfaction: as donors, we help enhance other people's lives and help others enrich our community

Please support the Saint Louis Chamber Chorus for the next season. In addition to the automatic benefits shown below, there are other optional bonuses you may select. We will send you a tax letter, acknowledging your donation, less the amounts shown below for each benefit you accept.
